A **BIPARTISAN Win-Win Grand Deal** to Heal the Nation and Far Beyond with Safe Haven and GEIP

“Safe Haven can CUT Crime >50% across America in 2024. GEIP can provide clean, renewable Energy that SAVES \$2-3T/yr and help **STOP THE KILLING** in the Middle East, Ukraine, US and far beyond. With *Your LEADERSHIP*, the True Winners be the PEOPLE with a **BIPARTISAN Win-Win Grand Deal** to Make It So.”

As a Physician and a Scientist, I have two programs, Safe Haven and my Global Energy Independence Program (GEIP) that can provide a Strong Foundation for a BIPARTISAN Win-Win Grand Deal that can be used not simply to help you WIN the Speakership but actually **STOP THE KILLING NOW** in America, the Middle East, Ukraine and far beyond. For brevity, I will summarize the core documents below.

1. BIPARTISAN Win-Win Grand Deal Proposal (BWWGDP)

Brief Summary of how Safe Haven and GEIP can form the foundation for a BIPARTISAN Win-Win Grand Deal that can be agreed upon by 11/17/23 on a BIPARTISAN basis with YOU as Speaker and LEADER.

2. Safe Haven Presentation to the Chicago City Council, 7/1/21

A 1-page Summary of how Safe Haven can CUT Crime in Chicago >50% in 2023 WITHOUT Raising Taxes with Afterschool Programs for our Children and JOBS for those, especially on Probation and Parole. Just as with Penicillin, if the Programs WORK in Chicago, they can be Expanded Across the Country in 2024.

3. Global Energy Independence Program (GEIP = \$2-3T/yr)

My Global Energy Independence Program can provide clean, renewable Energy that SAVES \$2-3T/yr globally and \$1T/yr in the US alone. As briefly discussed in my BWWGD, in addition to helping Pay Down our Debts WITHOUT Raising Taxes, GEIP can help to STOP THE KILLING NOW in the Middle East, Ukraine, America and far beyond. If APPEASEMENT is “allowed” to Succeed Anywhere, it will only Embolden Xi to do the same in Taiwan. GEIP gives you LEVERAGE on a BIPARTISAN Basis and would be True LEADERSHIP.

Simply put, **I will Share GEIP with YOU, Pres. Biden, Donald Trump and other Congressional Leaders if you will agree to help in the implementation of these programs and STOP THE KILLING NOW.**

4. STOLEN-- The Art of the STEAL (STARTS) -- Obama and the MURDER of Don Young (OMDY)

A one-page Summary of how Multiple Elections have been STOLEN using: 1) Voter Fraud/Harvesting; 2) CENSORSHIP; and 3) Deliberate Judicial Dysfunctionality (DJD) including not just the Courts, but the FBI, CIA and, more broadly, the Deep State in general. By my Presenting both STARTS and the details of Obama and the MURDER of Don Young (OMDY) to your Committee on the WEAPONIZATION of Government, much GOOD can be done to **FIX THE SYSTEM** BEFORE the 2024 Elections.

5. **PARDONS** for the Bidens and DROPPING ALL CHARGES Against President Trump

By LEARNING from the Past with your Committee on the WEAPONIZATION of Government, we can **FIX THE PROBLEMS** of Censorship and DJD so that we can Build a Better World for ALL by Always Seeking the TRUTH and the Win-Win Way. Dropping Charges against the Bidens and Trump would help the Healing for the GOOD of the Country. Working TOGETHER would Send a Positive Message to the World.

6. Formal Agreements on a BIPARTISAN Contract for America (BiCAM) BEFORE 2024 Elections

“We are Republicans, Democrats AND Independents. We Liberals AND Conservatives. We are Capitalists AND Socialists. We are EVERYONE of ALL Faiths and Ideologies. But, above all, we are SCIENTISTS at heart who wish to move beyond “Politics as Usual” to genuine GOOD GOVERNMENT based on GOOD SCIENCE where we *Always Seek the TRUTH, Best Practices and the Win-Win Way.*”

The BIPARTISAN Contract for America (BiCAM) is a one-page Summary of: 1) Safe Haven; 2) GEIP; and 3) A PARADIGM SHIFT Moving Beyond Lose-Lose “Politics as Usual” and Bad Ideologies to genuine Win-Win GOOD GOVERNMENT based on GOOD SCIENCE leading to GOOD OUTCOMES for the GOOD of ALL. And, what works in America can be REPLICATED in Countries Around the World for the GOOD of ALL.

As noted above, a BIPARTISAN Contract for America can be a Prelude to PEACE on Earth by 2030:

“The Manhattan Project built the Bomb. With the Chicago Project, we can all help to Build the PEACE... With GEIP-powered desalinization plants, we can turn Deserts into Gardens in the Middle East and far beyond. With Safe Haven, we can transform Violence and Despair into JOBS and HOPE throughout the World. And in the *process*, PROFOUND GOOD will have been done for the Benefit of ALL.” Time will Tell.

If GEIP can help Transform the Sinai Desert into a Productive New Homeland for the Palestinians, this could be the First Step towards Genuine Peace on Earth for ALL of God’s Children. If we can use some of the \$2-3T/yr of SAVINGS from GEIP to not only help Rebuild the Hospital in Gaza, but provide Universal Healthcare and Education as well, our Actions would reflect our Words. This all takes LEADERSHIP.

When Gene Roddenberry first introduced Star Trek in 1969, he intentionally said it at a time where we had all Learned to Live TOGETHER using GOOD SCIENCE to Solve our Problems. **The Future Starts NOW.**

Star Trek -- The Next Generation —Time’s Arrow II (Late 24th Century)

--Deanna Troy: Poverty was eliminated on Earth a long time ago

And a lot of other things disappeared with it--hopelessness, despair, cruelty

--Mark Twain: Young lady, I come from a time when men achieve

wealth and power by standing on the backs of the poor;

Where Prejudice and Intolerance are commonplace

and Power is an End onto Itself

and you’re telling me that isn’t how it is anymore?

--Deanna: That’s right

--Twain: Maybe it’s worth giving up cigars after all.

Let us LEARN from History but Build a Better Win-Win World for the Future. Let our Actions Reflect our Values. By Enacting BWWGD we can bring America and the World TOGETHER. I look forward to the opportunity soon to discuss these matters further. In this as in all things, May God’s Will be done.

BIPARTISAN Win-Win Grand Deal Proposal

1. Work Requirements -- Community Service Corps (CSC)

Just as with FDR's CCC and WPA, All Able-Bodied Adults capable of some form of work would participate in a Community Service Corps (CSC) that would provide jobs in the public or private sector.

2. Global Energy Independence Program (GEIP = \$2-3T/yr)

A Global Energy Independence Program (GEIP) can provide clean, renewable Energy that SAVES \$2-3T/yr globally. In the United States, the savings could be \$1T/yr. GEIP can thus provide both the Funding and Incentives to achieve the following Short-and Long-term Goals:

-- Resolving Current Budget crisis in a BIPARTISAN Win-Win Way that can be expanded upon with future legislative initiatives including Paying Off the Debt over time and much more Positive Goods.

-- STOPPING THE KILLING NOW both in Ukraine and America and PREVENTING Invasion of Taiwan

-- If Putin knows for a FACT that he can LOSE a significant portion of his \$1B/d Revenue from Russian Gas and Oil, this might be the ONLY thing that gets him to agree both to an Immediate CEASE FIRE and, ultimately, the full withdrawal of Russian Troops with Free and Fair Elections to follow in *Donbas*, Crimea and Transnistria. Both Ukraine and Russia can be invited to join the EU and, ultimately, NATO.

-- If GEIP is offered to Countries around the World in return for Respecting Current Borders and Improving Human Rights including FDR's Four Freedoms (of Speech and Worship; from Want and Fear), there may yet be a PEACEFUL Transition to what Xi refers to as "A Community of Common Destiny."

-- If Safe Haven is Implemented first in Chicago and Illinois, then throughout the Country, we can CUT Crime >50% by 2024 SAVING LIVES WITHOUT Raising Taxes. Again, GEIP can help to Pay Off our Debts.

-- Savings from GEIP and Safe Haven can help fund Universal Healthcare and Education on a Win-Win BIPARTISAN Basis. Guaranteeing Health, Safety and Education can be the best "*Reparations*" for ALL.

3. Moving On-- The Pardoning of Biden's, Obama's and Clinton's and the Ending of Harassment of Trump

Just as Gerald Ford Pardoned Richard Nixon "for the Good of the Country," Moving On past the Lose-Lose "Partisan Politics" of BOTH Sides would be a sign of the Positive Healing of a Nation

4. Formal Agreement on a BIPARTISAN Contract for America BEFORE 2024 Elections

"We are Republicans, Democrats AND Independents. We Liberals AND Conservatives. We are Capitalists AND Socialists. We are EVERYONE of ALL Faiths and Ideologies. But, above all, we are SCIENTISTS at heart who wish to move beyond "Politics as Usual" to genuine GOOD GOVERNMENT based on GOOD SCIENCE where we *Always Seek the TRUTH, Best Practices and the Win-Win Way.*"

As noted above, a BIPARTISAN Contract for America can be a Prelude to PEACE on Earth by 2030

"The Manhattan Project built the Bomb. With the Chicago Project, we can all help to Build the PEACE... With GEIP-powered desalinization plants, we can turn Deserts into Gardens in the Middle East and far beyond. With Safe Haven, we can transform Violence and Despair into JOBS and HOPE throughout the World. And in the *process*, PROFOUND GOOD will have been done for the Benefit of ALL." Time will Tell.

Brief Scenario for China Winning WWII in Days -- We LOSE if we Don't FIGHT BACK NOW!!!!

- Blockade of Taiwan -- If we are NOT Prepared to Break the Blockade, ESCALATION is Inevitable
- Taking out the Grid, Satellites and Security Codes with Quantum Computers – Seconds
- Taking out American Carrier Task Forces with Nuclear- Armed Hypersonic Missiles -- Minutes
- Worldwide Dissemination of Super-Viruses – Days (Covid 19 was a Dry Run)
- "Surrender and we will Share the Vaccine or don't surrender and DIE."

"In the practical Art of War, the best thing of all is to take the Enemies Country Whole and Intact; to Shatter and Destroy is not so good." Sun Tsu The Art of War circa 512 BC

Full-Scale Nuclear Exchange (If even still possible)

-- Cf. Laser-Based Anti-Missile Systems would Reduce Chinese "Vulnerability" for Retaliation, but similar systems can be Installed in America, Taiwan and other Allied Countries so China Cannot Rely on such systems with confidence. A GOOD LEADER can use this to RESOLVE the Crisis. (See below.)

(Mao was willing to "Sacrifice" Half of his People for World Domination in the 1950s. So too with Xi?)

"A Single Death is a Tragedy. A Million Deaths is a Statistic." – Stalin (Sitting Safely in his Bunker)

A Worst "Worst Case Scenario" could be if Biden decided to Surrender "for the Good of the Country"

-- Ironically, Joe and Hunter would NOT face charges and could, over time, be replaced by Fellow-Travelers Kamilla or Michelle Obama. Either way, the Country and Democracy would be OVER.

Alternative Western Counter-Offensive

Any Attempt to Blockade Taiwan would be met with a Clear Statement that if it does not STOP, America and its Southeast Asian Allies will form a NATO-like organization, INCLUDING Taiwan, to Protect its Members from Any Foreign Attacks from Any Countries, including China and North Korea.

If the Blockade still continues, America increases its Troop Presence and sends Additional Arms.

If Chinese Planes or Ships attempt to interfere, they will be fired upon if necessary.

A Potential Win-Win Option

America offers the Global Energy Independence Program (GEIP) with his clean, renewable energy that SAVES \$2-3T/yr to the world in return for Supporting Borders and Human Rights.

If Xi is willing to Respect Taiwan's Independence (just as with Putin in Ukraine), then an Expanded Economic Partnership could be a Win-Win for ALL involved and Xi can have his "Community of Common Destiny" without firing a shot. Sun Tsu would be pleased indeed. (And Xi Knows This.) Risking a Full Nuclear Exchange in WWII would be in No one's Best Interest. We must Resolve these Issues NOW!!!

Safe Haven/GEIP (Global Energy Independence Program) Interventions for **PEACE** in the Middle East

1. Global Energy Independence Program (GEIP = \$2-3T/yr)

GEIP can provide clean, renewable energy that SAVES \$2-3T/yr. While this would be reason enough to implement GEIP throughout the Middle East and far beyond, by using large-scale GEIP-Powered Desalinization Plants, vast areas of the Sinai Desert and elsewhere could be transformed into fertile farms that would provide new land, food and Jobs and be a Win-Win for All Involved.

2. Safe Haven -- Safe Communities, Well-Educated Children and JOBS for All Productive Citizens

Ensuring that all abled-bodied adults have productive JOBS within their community can give people both Hope and a Positive Alternative to Violence. Just as with Crime, by using GPS monitoring of those "at-risk" for engaging in Violence, over time new habits and mindsets can be developed in a *Positive* Way. In the meantime, however, long-term monitoring can help to Prevent a return to old Violent Ways.

3. Education -- LEARNING to Live TOGETHER -- Win-Win Problem Solving 101

By Teaching Truth, Tolerance and Win-Win Problem Solving as fundamental parts of Lifetime Learning moving forward, both in the Middle East and across the World, we can help to form the bonds of *Understanding* that can help bring Individuals, Communities and Countries TOGETHER for the Good of All

4. Media Focusing on Win-Win Ways – CONSENSUS-- Always Seek the TRUTH and the Win-Win Way

By All forms of Media, including the Internet, focusing on Always Seeking the TRUTH and the Win-Win Way, we can move from Confrontation to Positive Win-Win Problem Solving DIALOG in all that we do. By using individual Perspectives as a way of Understanding "ALL Parts of the Elephant," we can move beyond Propagandistic Bigotry to truly bring People and Countries TOGETHER for the Good of All.

5. On Building a Better Win-Win World for ALL-- Win-Win World Universal Contract for UNITY and PEACE

By agreeing to a Win-Win World Universal Contract for UNITY and PEACE (WWWCUP), People of All Races and Religions can finally come TOGETHER to Build a Better Win-Win World for the GOOD of ALL.

Programs including Safe Haven and GEIP that are Developed and implemented in the Middle East can be Replicated in other Conflict Zones such as Ukraine and Taiwan as well as throughout the World.

By teaching Good Scientific Problem Solving and Tolerance in our Schools and Providing JOBS for All Able-Bodied Adults, we can Create Communities of Productive Citizens around the World. Similarly, GEIP can be implemented in Countries around the World in return for Agreements to Expand Human Rights and Free Speech, Respect Borders and Transition from "Politics as Usual" to GOOD GOVERNMENT based on GOOD SCIENCE leading to GOOD OUTCOMES for the GOOD of ALL.

As noted in The Chicago Project, "With GEIP-Powered Desalinization Plants, we can turn Deserts into Gardens in the Middle East and Far Beyond. With Safe Haven, We Can Transform Violence And Despair Into JOBS And HOPE Throughout The World. And In The Process, PROFOUND GOOD Will Have Been Done For The Benefit Of ALL." In this as in All Things, May God's Will be Done. Time will Tell.

BIPARTISAN Contract for America--FIXING THE SYSTEM ONCE AND FOR ALL

CUTTING Crime, Drugs, Abuse and Joblessness >50% in 2023; >95% in 2025 WITHOUT Raising Taxes

Towards a Gang-Free, Drug-Free, Full-Employment Economy in Illinois by 2025

1. Safe Haven—A PENNY OF PREVENTION IS WORTH A DOLLAR OF CURE.

Safe Haven is a series of PREVENTION-oriented, community-based initiatives aimed at *breaking the cycles of gangs, drugs, abuse and joblessness in Illinois once and for all*. Much as with the CCC and WPA from the Depression era, a Community Service Corps, CSC, would provide unemployed able-bodied persons JOBS in the private and public sectors thus helping individuals contribute positively to society even as they look for other work on a more permanent basis.

As noted, the motto for Safe Haven is A PENNY OF PREVENTION IS WORTH A DOLLAR OF CURE. If we can reduce gang crime, drugs, abuse and joblessness by even 10%, we would be SAVING Illinois >\$400M annually. By reinvesting some of the savings into further expanding community-based, prevention-oriented programs such as affordable day care and afterschool programs for our children, we could achieve a multiplier effect with even greater savings, both financial AND human, in future years.

If the ONLY thing we do quickly is to implement After School programs for our children and JOB Programs for ALL individuals, including those on Probation and Parole, we can dramatically Reduce Gang Crime and Drugs and help make Chicago a Model for the Country on the way towards achieving a Gang-Free, Drug-Free, Full-Employment Economy in America that SAVES LIVES and Billions of Tax Dollars-- a good start indeed to Paying Off the Pensions and CUTTING TAXES.

2. Global Energy Independence Program (GEIP) = \$2-3T/yr = SAVING LIVES and CUTTING TAXES

GEIP is based upon a very simple equation that can provide a clean and renewable energy source that on a global scale can SAVE \$2-3 TRILLION/Year of the \$5-7T spent annually primarily on carbon-based energy sources. With the understanding that the first demonstration site for these programs will be in Illinois, *we could be SAVING literally BILLIONS of dollars annually* while helping the environment, businesses and the great, hard-working tax-payers and citizens of Illinois in the process.

3. Building a Better Win-Win World in Illinois, America and Far Beyond Based on GOOD GOVERNMENT

We are Republicans, Democrats AND Independents. We Liberals AND Conservatives. We are Capitalists AND Socialists. We are EVERYONE of ALL Faiths and Ideologies. But, above all, we are SCIENTISTS at heart who wish to move beyond "Politics as Usual" to genuine GOOD GOVERNMENT based on GOOD SCIENCE where we *Always Seek the TRUTH, Best Practices and the Win-Win Way.*

Not only can we STOP THE KILLING in Illinois, but far beyond indeed. As noted in The Chicago Project: "The Manhattan Project built the Bomb. With the Chicago Project, we can all help to Build the PEACE... With GEIP-powered desalinization plants, we can turn Deserts into Gardens in the Middle East and far beyond. With Safe Haven, we can transform Violence and Despair into JOBS and HOPE throughout the World. And in the process, PROFOUND GOOD will have been done for the Benefit of ALL.

Let these be goals to bring Illinois, America and the World TOGETHER.
