

Dear Congressmen Johnson and Jeffries, Senators Schumer, Durbin and McConnell February 20, 2024

STOPPING THE KILLING NOW c a BIPARTISAN Win-Win Grand Deal and Help from Biden and Pope Francis

“Safe Haven can CUT Crime >50% across America in 2024. GEIP can provide clean, renewable Energy that SAVES \$2-3T/yr and help **STOP THE KILLING** in the Middle East, Ukraine, US and far beyond. With true **LEADERSHIP**, the *Winners* will be the **PEOPLE** with a **BIPARTISAN Win-Win Grand Deal** to Make It So.”

From all signs, it appears that Joe Biden could soon be Replaced by Kamila Harris as President. In order to both PROTECT and Strengthen the Country, I am proposing a BIPARTISAN Win-Win Grand Deal that can help to bring the Country and the World TOGETHER for all of the Right Reasons.

As a Physician and a Scientist, I have two programs, Safe Haven and my Global Energy Independence Program (GEIP) that can provide a Strong Foundation for a BIPARTISAN Win-Win Grand Deal that can be of use not just in Positively Resolving the Current Budget Crisis but actually **STOPPING THE KILLING NOW** in America, Ukraine and far beyond. For brevity, I will summarize the core documents below.

1. BIPARTISAN Win-Win Grand Deal Proposal (BWWGDP)

A 1-page Summary of how Safe Haven and GEIP can form the foundation for a BIPARTISAN Win-Win Grand Deal that can be agreed upon by the next Budget Deadline and implemented later.

2. Safe Haven Presentation to the Chicago City Council, 7/1/21

A 1-page Summary of how Safe Haven can CUT Crime in Chicago >50% in 2024 WITHOUT Raising Taxes. These core proposals are expanded upon in a Discussion for a “*Summer of Tough Love*.” Just as with Penicillin, if the Programs WORK in Chicago, they can be Expanded Across the Country in 2024.

3. Global Energy Independence Program (GEIP = \$2-3T/yr)

My Global Energy Independence Program can provide clean, renewable Energy that SAVES \$2-3T/yr globally and \$1T/yr in the US alone. As briefly discussed in my BWWGD, in addition to helping Pay Down our Debts WITHOUT Raising Taxes, GEIP can help to STOP THE KILLING NOW in Ukraine, the Middle East and far beyond. If APPEASEMENT is “allowed” to Succeed in Ukraine, it will only Embolden Xi to do the same in Taiwan--Starting with a Blockade and “Daring” Biden to start WWIII. GEIP gives you LEVERAGE.

4. STOLEN-- The Art of the STEAL (STARTS) -- Obama and the MURDER of Don Young (OMDY)

A one-page Summary of how Multiple Elections have been STOLEN using: 1) Voter Fraud/Harvesting; 2) CENSORSHIP; and 3) Deliberate Judicial Dysfunctionality (DJD) including not just the Courts, but the FBI, CIA and, more broadly, the Deep State in general. By my Presenting both STARTS and the details of Obama and the MURDER of Don Young (OMDY) to Jim Jordan’s Committee on the WEAPONIZATION of Government, much GOOD can be done to **FIX THE SYSTEM** BEFORE the 2024 Elections.

5. BIPARTISAN Contract for America (and Beyond)

A one-page Summary of: 1) Safe Haven; 2) GEIP; and 3) Moving Beyond Lose-Lose “Politics as Usual” and Bad Ideologies to genuine Win-Win GOOD GOVERNMENT based on GOOD SCIENCE. And, what works in America can be REPLICATED in Countries Around the World for the GOOD of ALL. I look forward to the opportunity to discuss these matters further. In this as in all things, May God’s Will be done.

## BIPARTISAN Win-Win Grand Deal Proposal

### 1. Work Requirements -- Community Service Corps (CSC)

Just as with FDR's CCC and WPA, All Able-Bodied Adults capable of some form of work would participate in a Community Service Corps (CSC) that would provide jobs in the public or private sector.

### 2. Global Energy Independence Program (GEIP = \$2-3T/yr)

A Global Energy Independence Program (GEIP) can provide clean, renewable GEOTHERMAL Energy that SAVES \$2-3T/yr globally. In the United States, the savings could be \$1T/yr. GEIP can thus provide both the Funding and Incentives to achieve the following Short-and Long-term Goals:

-- Resolving Current Budget crisis in a BIPARTISAN Win-Win Way that can be expanded upon with future legislative initiatives including Paying Off the Debt over time and much more Positive Goods.

-- STOPPING THE KILLING NOW in the Middle East and Ukraine and PREVENTING Invasion of Taiwan

-- If Putin knows for a FACT that he can LOSE a significant portion of his \$1B/d Revenue from Russian Gas and Oil, *this might be the ONLY thing that gets him to agree both to an Immediate CEASE FIRE* and, ultimately, the full withdrawal of Russian Troops with Free and Fair Elections to follow in *Donbas*, Crimea and Transnistria. Both Ukraine and Russia can be invited to join the EU and, ultimately, NATO. Similarly, **GEIP-Funded UN Peacekeepers going into Rafah and Returning ALL Hostages would SAVE many LIVES.**

-- If GEIP is offered to Countries around the World in return for Respecting Current Borders and Improving Human Rights including FDR's Four Freedoms (of Speech and Worship; from Want and Fear), there may yet be a PEACEFUL Transition to what Xi refers to as "A Community of Common Destiny."

-- If Safe Haven is Implemented first in Chicago and Illinois, then throughout the Country, *we can CUT Crime >50% by 2024 SAVING LIVES WITHOUT Raising Taxes.* Again, GEIP can help to Pay Off our Debts.

-- Savings from GEIP and Safe Haven can help fund Universal Healthcare and Education on a Win-Win BIPARTISAN Basis. Guaranteeing Health, Safety and Education can be the best "Reparations" for ALL.

### 3. Moving On-- The Pardoning of Biden's, Obama's and Clinton's and the Ending of Harassment of Trump

Just as Gerald Ford Pardoned Richard Nixon "for the Good of the Country," Moving On past the Lose-Lose "Partisan Politics" of BOTH Sides would be a sign of the Positive Healing of a Nation

### 4. Formal Agreement on a BIPARTISAN Contract for America BEFORE 2024 Elections

"We are Republicans, Democrats AND Independents. We Liberals AND Conservatives. We are Capitalists AND Socialists. We are EVERYONE of ALL Faiths and Ideologies. But, above all, we are SCIENTISTS at heart who wish to move beyond "Politics as Usual" to genuine GOOD GOVERNMENT based on GOOD SCIENCE where we *Always Seek the TRUTH, Best Practices and the Win-Win Way.*"

As noted above, a BIPARTISAN Contract for America can be a Prelude to PEACE on Earth by 2030 "The Manhattan Project built the Bomb. With the Chicago Project, we can all help to Build the PEACE... With GEIP-powered desalinization plants, we can turn Deserts into Gardens in the Middle East and far beyond. With Safe Haven, we can transform Violence and Despair into JOBS and HOPE throughout the World. And in the *process*, PROFOUND GOOD will have been done for the Benefit of ALL." Time will Tell.

Brief Scenario for China Winning WWII in Days -- We LOSE if we Don't FIGHT BACK NOW!!!!

- Blockade of Taiwan -- If we are NOT Prepared to Break the Blockade, ESCALATION is Inevitable
- Taking out the Grid, Satellites and Security Codes with Quantum Computers – Seconds
- Taking out American Carrier Task Forces with Nuclear- Armed Hypersonic Missiles -- Minutes
- Worldwide Dissemination of Super-Viruses – Days (Covid 19 was a Dry Run)
- "Surrender and we will Share the Vaccine or don't surrender and DIE."

"In the practical Art of War, the best thing of all is to take the Enemies Country Whole and Intact; to Shatter and Destroy is not so good." Sun Tsu The Art of War circa 512 BC

Full-Scale Nuclear Exchange (If even still possible)

-- Cf. Laser-Based Anti-Missile Systems would Reduce Chinese "Vulnerability" for Retaliation, but similar systems can be Installed in America, Taiwan and other Allied Countries so China Cannot Rely on such systems with confidence. A GOOD LEADER can use this to RESOLVE the Crisis. (See below.)

(Mao was willing to "Sacrifice" Half of his People for World Domination in the 1950s. So too with Xi?)

"A Single Death is a Tragedy. A Million Deaths is a Statistic." – Stalin (Sitting Safely in his Bunker)

A Worst "Worst Case Scenario" could be if Biden decided to Surrender "for the Good of the Country"

-- Ironically, Joe and Hunter would NOT face charges and could, over time, be replaced by others willing to do China's Bidding. Either way, the Country and Democracy would be OVER.

Alternative Western Counter-Offensive

Any Attempt to Blockade Taiwan would be met with a Clear Statement that if it does not STOP, America and its Southeast Asian Allies will form a NATO-like organization, INCLUDING Taiwan, to Protect its Members from Any Foreign Attacks from Any Countries, including China and North Korea.

If the Blockade still continues, America increases its Troop Presence and sends Additional Arms.

If Chinese Planes or Ships attempt to interfere, they will be fired upon if necessary.

A Potential Win-Win Option

America offers the Global Energy Independence Program (GEIP) with its clean, renewable energy that SAVES \$2-3T/yr to the World in return for Supporting Borders and Human Rights.

If Xi is willing to Respect Taiwan's Independence (just as with Putin in Ukraine), then an Expanded Economic Partnership could be a Win-Win for ALL involved and Xi can have his "Community of Common Destiny" without firing a shot. Sun Tsu would be pleased indeed. (And Xi Knows This.) Risking a Full Nuclear Exchange in WWII would be in No one's Best Interest. We must Resolve these Issues NOW!!!

## Proposed 5-Phase Path to Permanent PEACE in the Middle East, Ukraine and Beyond

### 1 Steps Prior to Announcing Easter Cease-Fire

Because President Biden may soon be leaving office, achieving a CEASE FIRE in the Middle East and Ukraine would be a Fitting and Lasting Legacy for both him and Pope Francis if they can Work TOGETHER to make it so. Prior to the Actual Cease Fire, however, several steps need to be taken. Just as with Japan and Germany after WW II, it is Critical to change Hearts and Minds and Stop Hate Speech rather than simply returning to the Status Quo Ante if future conflicts are to be Avoided on a long-term basis.

Pope Francis, Sir Alex Witty or someone else (KL-X?) to contact Elon Musk about Building and Implementing GEIP at “Warp Speed” c/s the help of Others (e.g., GE?, Siemens?, etc.).

Musk to Confirm that GEIP can be built and give a time estimate for implementing Pilot GEIP Programs in the Middle East (Sinai?, Saudi Arabia?), America (Yellowstone?), Europe (Campi Flegri?), etc.

Set up GEIP-Foundations (e.g., through United Nations?, Church, Sylvia’s Safe Haven Foundation, etc.) to help use SAVINGS from GEIP (\$2-3T/yr?) to implement Universal Healthcare and Education, Jobs, etc. in Countries willing to accept Current Borders and Human Rights in addition to Stopping Hate Speech in the Media, Internet, Schools, Mosques, etc. and advocating Consensus v Confrontation (WWMBL3) and GOOD SCIENCE whenever and wherever possible (BiCAM -- Win-Win World CUP)

Encourage Pres. Biden and Pope Francis to use GEIP as LEVERAGE to help STOP THE KILLING in the Middle East and Ukraine using Royalties in Foundations to help Support the Programs moving forward with assistance from Qatar and Pope Francis.

### Phase 1: Cease-Fire in the Middle East and Ukraine ASAP

With GEIP as LEVERAGE, Pres. Biden, Pope Francis, Egypt, Saudi Arabia, the EU and others can Help Negotiate and Implement a CEASE FIRE in the Middle East and Ukraine ASAP in return for accepting Current Borders and Human Rights in addition to Stopping Hate Speech in the Media, Internet, Schools, Mosques, etc. and advocating Consensus v Confrontation

Release of ALL hostages and with equal number of Palestinian women and children released. ( Hamas deliberately started the War. It would be counterproductive to reward them.)

Food, gas, electricity and medical supplies are to be resumed throughout the Gaza Strip

Able-bodied Palestinian Adults to be given JOBS in the Public and Private Sectors including cleaning up and reconstruction

Universal Healthcare and Education established in return for implementing above agreements including Officially Recognizing Israel’s Right to Exist by Palestinians, Egypt, Saudi Arabia, Jordan, etc. (additional Countries, e.g., Syria, Lebanon, Yemen, etc. can be added in later Phases in return for implementing GEIP and Safe Haven programs within their Countries). (UHG can help with OSCM and Universal Healthcare.)

UN Peace Keeping Troops to gradually Replace Israeli Defense Forces (IDF) in Gaza (Phases: 1) 25%; 2) 50%; 3) 100%) to ensure that Agreements are kept and that Hate Speech is ENDED permanently. -- UN Peacekeepers can enter Rafah through Safe Corridors from Egypt while unarmed Hamas fighters can leave safely. GEIP-Powered Desalinization plants can turn the Sinai into a Fertile New Palestinian Home.

-- All Residents in Gaza >7 years old can be issued ID Transponder Cards so that they can Always be Safely Identified as Noncombatants to be AVOIDED in FIGHTING as long as they follow instructions from UN Peacekeepers (UNPKs) (e.g., leaving areas being searched for Weapons and possible Hostages, etc.).

2.7 Programs described above including Jobs, Universal Healthcare and Education, UN Peacekeepers, etc. would all be Funded through GEIP Foundations as these programs are implemented over time. While other countries may contribute to these Foundations

2.8 Similarly, *if Putin understands that he could LOSE a significant portion of his \$1B/day Gas and Oil revenues PERMANENTLY, this is probably the ONLY thing that could get him to agree to a CEASE FIRE in Ukraine.* Pope Francis reaching out through Patriarch Kirill would be a Win-Win Way to achieve this goal.

2.9 Hamas and other Palestinians wishing to relocate to Egypt and Saudi Arabia as New Farmland is created with GEIP-Powered Desalinization Plants can help build a New Palestinian Homeland at Peace with all of its neighbors, including Israel.

2.10 Setting up GEIP-Foundations in Gaza, Egypt, Saudi Arabia, etc. can help in this Process.

Phase 2 -- Continuing Replacement of IDF Troops with UN Peacekeepers

Continued Transition from IDF to UN Peacekeepers (50%) who will increasingly monitor for Hate Speech and Enforce laws ensuring the long-term Dismantling of Hamas

All Palestinians >7 years old, including Former Hamas Members, to carry IDs with Transponders or Cell phones to ensure that they are at Jobs or at School and Not engaged in Terrorist Activities 24/7/365. Again, this will help to Prevent Accidental Conflicts with UN Peacekeepers.

As Hate Speech is Reduced and Cooperation between Countries with Jobs, Universal Education and Healthcare, etc. is Increased, Polls can monitor the effectiveness of these programs.

4 Phase 3-- Total Replacement of IDF with UN Peacekeepers

4.1 Phase 3 with the Total Replacement of IDF with UN Peacekeepers ONLY should happen with clear Confirmation that Hate speech and Fighting have STOPPED over an extended period.

4.2 Similarly, a Cease Fire in Ukraine can be followed with UN Troops replacing Russian Troops in Donbas, Crimea and Transistea until truly Free and Fair Elections can be held in these areas.

4.3 By UN Peacekeeping Troops staying in Gaza over the next 10-15 Years, Palestinians can focus on not only rebuilding the Gaza Strip, but living at PEACE with all of its neighbors, including Israel while Minimizing Hate Speech and Maximizing Cooperation between All Countries in the Middle East and beyond. Thus, just as with Penicillin, the Gaza Peace Model can be Replicated across the World.

5 Phase 4 -- Replicating and Expanding Upon the Gaza Peace Model

5.1-- Following Cease-Fires in Gaza and Ukraine, a similar initiative can be pursued concerning Yemen. If the Houthis continue to Harass Shipping in the Red Sea, a US-Saudi Force could occupy key areas until a UN Peace Keeping Force (PKF) could take over for a multiyear period similar to in Gaza.

Note: Given recent Isis-K Attacks in Russia (and previously in Chechnya) and Chinese “Issues” with Uyghurs, both Putin and Xi may decide that Radical Islamic Terrorism is an issue to be addressed. The more that Hate Speech is replaced with DIALOG throughout the World, the better it will be for all.

5.2 Similarly, if Iran Keeps Funding Terrorist Groups and espousing Hate Speech, an Oil Embargo could be put back in place until these Behaviors and any further Nuclear Enrichment Stopped Permanently.

5.3 By offering Universal Healthcare and Education as part of GEIP-Foundation programs in Countries throughout the World including Africa, South America and Asia in return for not only Stopping Hate Speech and Respecting Borders, but helping to eliminate Drugs, Sex Trafficking and other Crimes, we can gradually Integrate Economies and World Trade building a Better Win-Win World for the Good of ALL.

6 Phase 5 -- PEACE on Earth by 2030

6.1 The Only long-term solution to Prevent Putin from returning is to make Ukraine part of NATO as well as the EU as they have been requesting for years. (Russia over time could also join both if they want.)

6.2 Similarly, the Only long-term solution to Prevent Xi from invading Taiwan would be to First make clear that America will Defend Taiwan and, second, to make Taiwan part of a new SEATO if Xi even threatens to blockade or invade Taiwan. Again, GEIP can be Shared with China and other Asian Countries in return for Respecting Borders and Stopping Hate Speech in the Media, Schools, Internet and Elsewhere.

6.3 By offering China GEIP and Improved Trade for help in Denuclearizing North Korea and Stopping Hate Speech, we could ultimately achieve “**A Community of Common Destiny**” as Xi likes to say.

6.4 As I Ended The Chicago Project, “With the Chicago Project, we can all help to Build the PEACE... With GEIP-powered desalinization plants, we can turn Deserts into Gardens in the Middle East and far beyond. With Safe Haven, we can transform Violence and Despair into JOBS and HOPE throughout the World. And in the process, PROFOUND GOOD will have been done for the Benefit of ALL.”

6.5 Thus, PEACE on Earth by 2030 would be a **Lasting Legacy of Love** for Pope Francis, Pres. Biden, Sylvia and ALL of God’s Children. In this as in All things, May God’s Will be done. -- So Pray Dr. Ladien and Sylvia Star Trek -- The Next Generation —Time’s Arrow II (Late 24<sup>th</sup> Century) -- A Potential Model for the Future

--Deanna Troy: Poverty was eliminated on Earth a long time ago and a lot of other things disappeared with it--hopelessness, despair, cruelty

--Mark Twain: Young lady, I come from a time when men achieve wealth and power by standing on the backs of the poor; Where Prejudice and Intolerance are commonplace and Power is an End onto Itself and you’re telling me that isn’t how it is anymore?

--Deanna: That’s right

--Twain: Maybe it’s worth giving up cigars after all
