

Congressman James Jordan, Chair

Select Committee on the Weaponization of Government

May 1, 2023

Dear Congressman Jordan,

STOLEN -- The Art of the STEAL (TArTS) -- FIGHTING BACK

“The FACT that More than 85% of Americans know who Stormy Daniels is but Less than 1% know who Don Young and Larry Sinclair are is **PROOF POSITIVE** of CENSORSHIP and DJD in the Courts and beyond.”

THANK YOU for your Work over the Years to PROTECT our Freedom on the Road to creating “A More Perfect Union.” Your Chairing of the Select Committee on the Weaponization of Government may be one of your Most Important Contributions to date. * Again, as noted above, “The FACT that More than 85% of Americans know who Stormy Daniels is but Less than 1% know who Don Young and Larry Sinclair are is **PROOF POSITIVE** of CENSORSHIP and DJD in the Courts and beyond.”

I have enclosed a draft Copy of my book, STOLEN-- The Art of the STEAL, which summarizes 3 specific Techniques used to STEAL the 2020 election (and others): 1) Voter Fraud/Harvesting; 2) CENSORSHIP; and 3) Deliberate Judicial Dysfunctionality (DJD) which includes the Courts as well as FBI.

Polls have shown that up to 17% of Americans would have changed their votes had they known the TRUTH about Hunter Biden’s laptop. But, as you have brilliantly shown, the FACT that the FBI deliberately Mised Big Tech and the Mean Stream Media (MSM) by calling this “*Russian Disinformation*” allowed their all too willing Accomplices in the MSM to “*cancel*” Critics by simply Discrediting them. The FACT that the Deep State could get 51 Former High-Level Intelligence Officers to Deliberately Continue this LIE simply illustrates not only the Power of this Cabal, but it’s *Clear and Present Danger* to Democracy itself.

In a similar way, Don Young was the openly Gay Choir Director of Rev. Jeremiah Wright’s Church who was MURDERED, execution style, on 12/23/7. What the Police knew from Don’s own Mother, Norma Jean, was that he had been Obama’s Lover for >20 Years. Larry Sinclair also had a two-day affair with “Barry” from which he can describe Obama down to the “*three little bumps on the tip of his uncircumcised penis.*” Both Larry and Jerry Corsi spoke Directly with Norma Jean to confirm her story. But even a “front-page” story in the National Inquirer was Not enough to overcome the MSM’s Censorship.

In 2018, I ran for Congress against Mike Quigley in IL-5. When I included Obama and the MURDER of Don Young (OMDY) in my Candidates Questionnaire to the Chicago Sun-Times, they REFUSED to print the TRUTH. When I asked the ST’s reporter to “*Call Don’s Mother,*” he responded, “*Let me Cut to the Chase. I am NOT Interested*” before hanging up the phone. It is when the ST, without Any DUE DILIGENCE and without even mentioning OMDY, stated that I was espousing “*Bizarre Conspiracy Theories*” that I SUED them for DEFAMATION. It is Precisely so that the TRUTH is Known that I write to you now.

By 5/13/23, Judge Karen O’Malley will review my enclosed Motion for Reconsideration which will be expanded into STArTS. The FACT that >7 Chicago Judges would NOT hear this case before the 2020 election is Proof Positive of **Deliberate Judicial Dysfunctionality (DJD)**. And, the FACT that all of these Judges, including O’Malley, Deliberately REFUSED to even hear the FACTS is **CRIMINAL Obstruction of Justice** making them Co-Conspirators after the fact to the ongoing Deliberate Cover-up of MURDER. By

simply Calling me as a Witness, much Good can be Done while there is Still Time to Make A Difference.

“In the Absence of the TRUTH, there can be No True Democracy”

The 2020 Election was Stolen using Three Techniques

1. Voter Fraud/Harvesting;
2. CENSORSHIP; and
3. Deliberate Judicial Dysfunctionality (DJD)

“The FACT that More than 85% of Americans know who Stormy Daniels is but Less than 1% know who Don Young and Larry Sinclair are is **PROOF POSITIVE** of CENSORSHIP and DJD in the Courts and beyond.”

If we do Not FIGHT BACK, Democracy will be LOST

Obama and the MURDER of Don Young (OMDY) – The Art of STEALING of MULTIPLE Elections

1. Don Young was the openly gay Choir Director of Reverend Jeremiah Wright’s Church who was Murdered, execution-style, on 12/23/07.
2. According to Don Young’s own Mother, Norma Jean Young, he had been Obama’s lover for >20 years.²
3. Larry Sinclair had a two-day affair with Obama in 2009 from which he can describe “Barry” down to the *“Three little bumps on the tip of his uncircumcised penis.”* (Sinclair, p 189)³
4. Joe Biden not only had knowledge of OMDY, his son, Beau, had Sinclair arrested just prior to the 2016 Democrat Election when Sinclair reached out to the Hillary campaign, including Lonnie Davis.
5. If >17% of Voters would have changed their Vote had they known the TRUTH about Hunter’s laptop, Imagine how many more Votes were STOLEN by Deliberately Hiding the TRUTH about OMDY.
6. It is only by knowing the TRUTH that the American People can INSIST that the Media, Big Tech and the Government Deep State, including the FBI and the Courts are Reformed to PROTECT Our Democracy.

7. This Book is a Call to Arms and a Blueprint on how to SAVE our Democracy Before it is Lost.
