Core Objectives: Combat Crime and Establish World-Class Schools

Achieved Without Increasing Taxes

The Candidate's Strategic Vision

The campaign's foundation rests on a high-impact, immediate action plan:

“If the **ONLY** thing we do to start is to implement **After School programs for our Children and JOB Programs for Adults**, including those on Probation and Parole, we can dramatically **Reduce Gang Crime and MURDERS** and help make Chicago a **Model for the Country** on the way towards achieving a **Gang-Free, Drug-Free, Full-Employment Economy in America** that **SAVES LIVES and Billions of Tax Dollars**—a good start to **Paying Off the National Debt And CUTTING TAXES** with Win-Win GOOD GOVERNMENT.”

— **Dedicated to the Victims of Systematic Abuses of Power** (*Referencing Sylvia and countless others.*)

Target	Goal	Timeline	Method
Reduction in Crime, Drugs, Abuse & Joblessness	>50%reduction	2026	WITHOUT Raising Taxes
	>90%reduction	Thereafter	
Establishment of a Gang-Free, Drug-Free, Full-Employment Economy	Full realization	By 2028	

1. Safe Haven: Prevention-Oriented Community Initiatives

The governing principle of Safe Haven is: **A PENNY OF PREVENTION IS WORTH A DOLLAR OF CURE**. This initiative comprises **PREVENTION-oriented, community-based programs** designed to fundamentally **Break the cycles of gangs, drugs, abuse and joblessness**.

- **Community Service Corps (CSC):** Drawing parallels with the Depression-era CCC and WPA, the CSC would provide **JOB**s for unemployed, able-bodied individuals, particularly those on **Probation and Parole**, facilitating positive societal contribution while they pursue permanent employment.
- **Initial Models:** Washington D.C. and Chicago are targeted as initial models for implementation.
- **Fiscal and Human Savings:** 10% reduction in targeted social issues is projected to **SAVE** Illinois **>\$400M annually**. Reinvesting these savings into programs such as **Affordable Day Care and Afterschool programs** will create a financial and human multiplier effect in future years.

Summary: The swift implementation of **Afterschool Programs for Children and JOB Programs for ALL individuals** is sufficient to **CUT Crime and Drugs >50%**, setting the course for a full-employment economy that **SAVES LIVES and Billions of Tax Dollars** and contributes to debt reduction and **TAX CUTTING**.

2. Global Energy Independence Program (GEIP)

GEIP = \$2-3T/yr = SAVING LIVES and CUTTING TAXES

- **Energy Source:** GEIP provides a clean, renewable **GEOTHERMAL** energy source.
- **Economic Benefit:** Projected to **SAVE \$2-3 TRILLION/Yr in America alone**.
- **Global Security Leverage:** This resource will be utilized as **LEVERAGE to Stop the Killing** in geopolitical conflict zones, based on the conviction that "Appeasement Never Works."
- **Advanced Technology:** The proposal includes a cost-effective, overwhelmed 1-2 MW **Golden LASER Dome** defense system, and the development of multiple 1-2GW **XAI Centers** to power **DOGE/AI/CQI Win-Win Good Government** founded on **Good Science**.

3. Fostering a Better Win-Win World through Good Governance

The platform seeks to unite diverse groups:

- **Republicans, Democrats, and Independents.**
- **Liberals and Conservatives.**
- **Capitalists and Socialists.**
- **Individuals of All Faiths and Ideologies.**

The underlying principle is that all stakeholders are **SCIENTISTS at heart** dedicated to moving **Beyond Gridlock** to **genuine GOOD GOVERNMENT** based on **GOOD SCIENCE**, consistently pursuing **TRUTH, Best Practices, and the Win-Win Way.**

The Chicago Project: Building Peace

“The Manhattan Project built the bomb. With the **Chicago Project, we can all help to Build the PEACE...** With GEIP-powered desalinization plants, we can transform **Deserts into Gardens...** With Safe Haven, we can convert **Violence and Despair into JOBS and HOPE** globally. In this process, **PROFOUND GOOD will have been done for the Benefit of ALL.** These goals are intended to bring Illinois, America, and the World **TOGETHER.**”
